

General Info

Mockingbird Valley Soccer Club has hosted the tournament each year since 1981 at their indoor soccer facility on 3000 Mellwood Avenue, Louisville, Kentucky 40207.

It is the longest continually running adult indoor soccer tournament in the world. This is the 39th iteration of the tournament.

The facility originally had one indoor soccer field until expansion shortly after 2000 with the addition of a Premier Arena Soccer League team, the Louisville Lightning.

22 total teams across 4 divisions traveling from around the region, including St. Louis, Indianapolis, Cincinnati, Ft. Wayne, Chicago, Columbus, and Louisville.

Teams in the men's division have gone on to win National Championships after playing in this tournament in 2011 and 2023. Most recently, Kentucky All Stars from Louisville.
